

JALAL UDDIN

School of Health Administration
Dalhousie University
Halifax, Nova Scotia, Canada

902-809-1137
jalal.uddin@dal.ca
<https://uddinsoc.wixsite.com/jalal>

POSITIONS HELD

- 2025- Shoppers Drug Mart Research Fellow
School of Health Administration, Dalhousie University, Halifax, Canada
Supervisor: Dr. Mohammad Hajizadeh
- 2022-2024 Postdoctoral Scholar (Recipient of CIHR & Killam Postdoctoral Fellowships),
Department of Community Health & Epidemiology, Dalhousie University,
Halifax, Canada
Supervisors: Drs. Susan Kirkland and Mark Asbridge
- 2019-2021 Postdoctoral Fellow, Department of Epidemiology, University of Alabama at
Birmingham, Birmingham, USA
Supervisors: Drs. April Carson and Leann Long

EDUCATION

- 2019 Ph.D. in Medical Sociology, University of Alabama at Birmingham
Dissertation: Racial and Gender Differences in the Relationship Between
Adverse Childhood Experience and Chronic Health Conditions in Adulthood.
(supervisor: Elizabeth Baker)
- 2014 M.S. in Sociology & Anthropology, Iowa State University
Thesis: Gendered Power Dynamics and Unmet Need for Family Planning among
Married Women in Bangladesh (supervisor: Robert Mazur)
- 2009 M.A. in Sociology, University of Dhaka, Bangladesh
Thesis: Vulnerability of the Coastal Communities to Disaster-related Health
Risks: A Sociological Study in Southkhali Union, Bagerhat District (supervisor:
S. Aminul Islam)
- 2007 B.A. in Sociology, University of Dhaka, Bangladesh
Thesis: Public Health Implications of Hospital Waste: A Study on Some
Selected Hospitals in Dhaka City (supervisor: Shah Ehsan Habib)

RESEARCH APPOINTMENTS

- 2016-2019 Graduate Research Assistant, Department of Sociology, University of Alabama
at Birmingham
- 2009-2010 Research Associate, Human Development Research Center, Bangladesh
- 2008-2009 Research Associate, Nielsen Company Bangladesh Ltd.

HONORS AND AWARDS

- 2022 President's Plenary Presenter Award (\$1500 CAD), International Society for Developmental Origins of Health and Disease (DOHAD) World Congress, August 27-31, Vancouver, Canada.
- 2022 Travel Award, The Réseau Espérance de Vie en Santé (REVES) Network, Halifax, Canada.
- 2020 Pain Special Interest Group Best Trainee Award – Runner Up, Society of Behavioral Medicine
- 2020 Won Second Place in research presentation at the 2020 Postdoctoral Research Day, Office of Postdoctoral Education, University of Alabama at Birmingham
- 2019 Travel Award, Office of Postdoctoral Education, University of Alabama at Birmingham
- 2019 Outstanding Graduate Student Award, Department of Sociology, University of Alabama at Birmingham
- 2017 The William Cockerham Award for Best Graduate Student Paper, Department of Sociology, University of Alabama at Birmingham
- 2016 Graduate Research and Teaching Assistantship, Department of Sociology, University of Alabama at Birmingham
- 2013 Academic Advancement Award: Alpha Kappa Delta, Iowa State University
- 2012 Fulbright Scholarship, MS in Sociology & Anthropology, Iowa State University
- 2009 Dean's Award, Faculty of Social Sciences, University of Dhaka, Bangladesh

FELLOWSHIPS & RESEARCH GRANTS

- 2025 Shoppers Drug Mart Research Fellowship
Title of the Project: Socioeconomic Inequalities in Polypharmacy in Middle-aged and Older Canadians with Multimorbidity: An Innovative Intersectional Analysis
Investigators: Jalal Uddin (PI) and Mohammad Hajizadeh
Value: (\$70,000 CAD)
- 2025 CIHR Catalyst Grant: Analysis of CLSA Data
Title of the Project: Effect of Neighborhood Deprivation on Cognitive Health: Examining Psychosocial and Physiological Mechanisms and Differential Risk by Minority Stress
Investigators: Mohammad Hajizadeh (PI), Mark Asbridge, Jalal Uddin, Alexa Yakubovich,
Value: (\$69,292 CAD)

- 2024 CIHR Operating Grant: Healthy Cities Research Initiative - Data Analysis Using Existing Databases and Cohorts
Title of the Project: Reducing violence in Canadian cities: Is there a causal relationship between neighbourhood deprivation and intimate partner violence among middle-aged to older adults?
Investigators: Alexa Yakubovich (PI), Mark Asbridge, Jalal Uddin
 Not Funded
- 2021 Canadian Institutes of Health Research (CIHR) Postdoctoral Fellowship
Title of the Project: Adverse Childhood Experience and Multisystem Cumulative Biological Risk in Middle and Late Life in Canada: The Protective Role of Psychosocial Resources
Principal Investigator: Jalal Uddin
Supervisor: Dr. Susan Kirkland
 Value: (\$135,000 CAD)
- 2021 Killam Postdoctoral Fellowship at Dalhousie University (Honorary)
Title of the Project: Childhood Adversity and Cumulative Biological Risk in Canada: Do Psychosocial and Neighborhood Resources Protect Health against Childhood Adversities?
Principal Investigator: Jalal Uddin
Supervisor: Dr. Susan Kirkland
 Value: (\$110,000 CAD)
- 2010 United Nations Development Program (UNDP), Bangladesh
Title of the Project: Perception of Illness and Health-seeking Behavior among 5 Ethnic Groups (Bengali, Chakma, Marma, Tanchangya, and Tripura) in the Chittagong Hill Tracts, Bangladesh.
Principal Investigators: Ahmed Fazle Hasan and Shah Ehsan Habib
My Role: Co-Investigator
 Value: (\$33,000 USD)
- 2009 UNFPA Research Fellowship, Bangladesh
Title of the Project: Dynamics of Health-seeking Behavior among Southwestern Coastal Residents in Bangladesh: A Case Study of Cyclone Sidr.
Principal Investigator: Jalal Uddin
 Value: (\$500 USD)

TEACHING EXPERIENCE

- 2025 *Instructor:* EPAH 2010: Social Determinants of Health (enrollment 97)
 Winter 2025, BSc in Medical Sciences program, Dalhousie University.
- 2024-2025 Developed a course titled “EPAH 2010: Social Determinants of Health”, which is part of the core curriculum of the BSc in Medical Sciences program at Dalhousie University.
- 2023-2024 *Tutor,* ProComp MED 1 & MED 2, 1st and 2nd Year of Medical Education, Dalhousie University

- 2022-2023 *Co-Instructor*, Population Health, Fall 2022 (enrollment 14) and Fall 2023 (enrollment 8), Master's Program, Department of Community Health and Epidemiology, Dalhousie University
- 2018 *Instructor*, Department of Sociology, University of Alabama at Birmingham
Taught: Introduction to Sociology (enrollment 28) (Summer 2018)
- 2017- 2018 *Graduate Teaching Assistant*, Department of Sociology, University of Alabama at Birmingham
Introduction to Sociology (Online) (Fall 2018)
Introduction to Sociology (Spring 2018)
The Research Experience (Capstone) (Spring 2018)
Sociology of Race and Ethnicity (Fall 2017)
Social Problems (Fall 2017)
- 2010-2012 *Lecturer of Sociology*
Eastern University, Bangladesh
Courses Taught:
Introduction to Sociology (enrollment 27-34) (Fall 2010, Fall 2011, Spring 2012)
Business Statistics (enrollment 17) (Summer 2010)
Social Psychology (enrollment 25) (Spring 2011)

RESEARCH INTERESTS

Medical Sociology; Social Determinants of Health; Global Health; Life Course and Aging; Race-ethnicity, Gender, Immigrants & Intersectionality; and Quantitative Methods

CONFERENCE PRESENTATIONS

- 2024 “Association of Childhood Adversity with Cardiovascular Disease among Middle-aged and Older Canadians: Differential Protective Role of Social Support across Sex and Immigration Status.” Annual Canadian Sociological Association (CSA) Conference, June 17-21, Montreal, QC
- 2023 “Socioeconomic Disparities in Diabetes-Concordant Comorbidity: National Health Interview Survey, 1997- 2018.” Annual Canadian Sociological Association (CSA) Conference, May 29-June 2, Toronto, ON
- “Adverse Childhood Experience and Children’s Mental Health Outcomes: Cumulative, Separate, and Simultaneous Risk Approaches.” Annual Canadian Sociological Association (CSA) Conference, May 29-June 2, Toronto, ON
- 2022 “Exposure to Childhood Adversities and Cardiovascular Diseases: Mediation by Health Behaviors and Mental Distress, and Moderation by Race/ethnicity and Income.” International Society for Developmental Origins of Health and Disease (DOHAD) World Congress, August 27-31, Vancouver, Canada.
- “Socioeconomic Disparities in Diabetes-Concordant Comorbidity: National Health Interview Survey, 1997-2018.” Réseau Espérance de Vie en Santé (REVES) Network Meeting, September 21-23, Halifax, Canada.
- “Evaluation of Mediation via the Physical Activity Environment of Neighborhood Socioeconomic Environment, and Type 2 Diabetes Associations.” Annual Meeting of the American Diabetes Association.
- 2021 “Regional Variation in Hypertension Prevalence Among Older Adults with and without Diabetes, 2005-2017.” Annual Meeting of the American Diabetes Association (virtual presentation)
- “Adverse Childhood Experience and Children’s Mental Health: Separate versus Cumulative Risk Models and Potential Mediating Mechanisms.” Annual Meeting of the American Sociological Association (virtual presentation)
- “Association of Adverse Experiences with Child Flourishing & School Engagement: Protective Role of Family Resilience.” Annual Meeting of the American Sociological Association (virtual presentation)

- “The Association Between Cumulative Social Risk and Adolescent Obesity Varies by Race-ethnicity.” Annual Meeting of the American Sociological Association (virtual presentation)
- 2020 “Negative Economic Shocks and Health in the Transition to Middle Adulthood, 1996 to 2016.” Annual Meeting of the American Sociological Association (virtual presentation)
- “Adverse Childhood Experience and Child’s Mental Health: Examining the Role of Parenting Stress and Family Resilience.” Annual Meeting of the American Sociological Association (virtual presentation)
- “Sex Differences in Educational Inequality in Diabetes Prevalence in the United States (2001-2016).” Annual Meeting of the Society of Behavioral Medicine (virtual presentation)
- “Index of Concentration at the Extremes and Diabetes Prevalence: The Reasons for Geographic and Racial Differences in Stroke (regards) Study.” The American Heart Association EPI|LIFESTYLE 2020 meeting, Phoenix, AZ
- 2019 “Adverse Childhood Experience and Chronic Conditions: Diminished Returns of the Adult SES.” Annual Meeting of the American Sociological Association, New York, NY.
- “Adverse Childhood Experience and Chronic Health Conditions in Adulthood: Intersections of Race/ethnicity, Gender, and Adult SES.” UAB Health Disparities Research Symposium; Birmingham, AL.
- “Adverse Childhood Experience and Chronic Health Conditions in Adulthood: Intersections of Race/ethnicity, Gender, and Adult SES.” Population Association of America Meeting, Austin, TX.
- “Caste and Hypertension in India: Examining the Differential Effect of Socioeconomic Status.” Population Association of America Meeting, Austin, TX.
- 2018 “Adverse Childhood Experience and Chronic Health Conditions in Adulthood: Examining the Intersecting Effects of Race/ethnicity and Gender.” Annual Meeting of the Mid-South Sociological Association, Birmingham, AL.
- “Caste and Hypertension in India: Examining the Differential Effect of Socioeconomic Status.” Annual Meeting of the Mid-South Sociological Association, Birmingham, AL.
- “The Relationship between Age and Physical Exercise: Examining the Age-as-Leveler Hypothesis.” Annual Meeting of the Mid-South Sociological Association, Birmingham, AL
- “Racial and Ethnic Differences in the Link between Unemployment and Health during and after the Great Recession: Examining the Mediating Role of Health Behaviors.” Annual Meeting of the American Sociological Association; Philadelphia, PA.

“Unemployment and Health during the Great Recession: Examining the Mediating Role of Depression and Health Behaviors.” Annual Meeting of the Southern Sociological Society; New Orleans, LA

- 2017 “Couple’s Reports of Women’s Authority in Household Decision-Making and Their Influence on Contraceptive Use: Empirical Evidence from South Asia.” Population Association of America Meeting, Chicago, IL.
- 2014 “Drinking Water Crisis in Coastal Bangladesh: A Conceptual Model to be used to Improve the Community Based Adaptations.” Annual Meeting of the Midwest Sociological Society, Omaha, NE.
- 2013 “Factors Differentiating Health-Seeking Behavior of Cyclone Survivors In Southwestern Coastal Bangladesh: A Case Study of Cyclone Sidr.” Annual Meeting of the Midwest Sociological Society, Chicago, IL.
- 2010 “Perception of Illness and Health Seeking Behavior among Chakma Ethnic Group in the Chittagong Hill Tracts of Bangladesh.” UNDP-CHTDF meeting at Rangamati, Bangladesh.

ANALYTIC PROFICIENCIES

Longitudinal cohort studies, time-series analyses, multilevel statistical modeling, generalized estimated equations, latent class analysis, causal mediation, and survey data analysis.

STATISTICAL AND SOFTWARE PROFICIENCIES

STATA (advanced), SAS and R (intermediate), ArcGIS (intermediate)

DEPARTMENTAL AND PROFESSIONAL SERVICES

- 2022- Departmental Reader, Master’s Thesis Committee (Natalie Willett), Department of Community Health and Epidemiology, Dalhousie University
- 2022-2024 Member, Curriculum Committee, Department of Community Health and Epidemiology, Dalhousie University
- 2022 Judge, CHE Research Day, Department of Community Health and Epidemiology, Dalhousie University
- 2021 Judge, Public Health Virtual Research Poster Session (undergraduate students), School of Public Health, University of Alabama at Birmingham
- 2019 Member, Graduate Student Association, Department of Sociology, University of Alabama at Birmingham
- 2018 Member, Organizing Committee, Mid-South Sociological Association Meeting, Birmingham, Alabama
- 2018 Presider and Discussant, “Institution and Health”, Mid-South Sociological

Association Meeting, Birmingham, Alabama

- 2018 Vice President, Bangladesh Student Association at the University of Alabama at Birmingham (BSA-UAB)
- 2017 Invited Talk, “Couple’s Participation in Household Decision-Making, Marital Power, and their Influence on Contraceptive Use: Empirical Evidence from South Asia.” Department of Sociology, University of Alabama at Birmingham

PEER REVIEW ACTIVITIES

- 2023-25 Reviewer, Doctoral Research Award, Canadian Institutes of Health Research (CIHR)
- 2024 - Editorial Board Member – *BMC Public Health*
